Unleash the power of
your data – leverage
business intelligence in
a meaningful way

INFORMATION TECHNOLOGY

Transform your IT
through business-led,
technology-enabled
solutions

**BRIDGING BUSINESS NEEDS
WITH TECHNOLOGY**

zeevogroup.com

A business consultancy practice delivering innovative solutions, extraordinary value, and operational efficiency to our clients by maximizing tools, technology, processes, and procedures.

With broad and deep aviation and “Big Four” experience, we prevail in our field because we’ve been there and we’ve mastered it.

We know the industry, we know the ins-and-outs of technology, and we understand the complexities and challenges that organizations in this industry face.

Your success is our success.

THE ZEEVO TEAM

PROFESSIONAL TRAINING

Leverage knowledge and skills across your organization via computer-based and group live training

FINANCE & TREASURY TRANSFORMATION

Enhance your strategic initiatives in finance by deploying forecasting and asset status monitoring tools, internal audits, and controls

BUSINESS PROCESS & SYSTEM OPTIMIZATION

Better leverage capabilities across your leasing platform – “Work smarter, not harder”
